What A Mess!:

June 7 & 8

9:00am – 12:00pm

\$60

This camp will focus on what kids do best ... getting messy! We will get crazy with the biggest, goopiest, yuckiest messes we can come up with! We will create and explore as many messy activities as we can in 2 days! Our activities will be centered around paint, mud, soap and everything in between! We will end camp this year with a kickball slip-n-slide game! Please send your child in "play clothes" and/or a bathing suit and with a change of clothes each day.

This camp will for children **ages 3+**. Children should bring a drink and snack each day.

Pre-Teen and Teen:

Driver's Education:

July 9 – 12

8am – 3:30pm

Please email Mrs. Chappell for registration information:

betsy@chappelldrivingschool.com

Driver's education consists of:

30 hours of classroom instruction and 6 hours of behind-the-wheel instruction. During the classroom instruction, you will learn information about driving regulations, violations, and safe driving. Once you've completed the in-classroom component of Driver's Ed, you will be able to get behind the wheel where you will learn and practice important driving skills under supervision and get a feel for what it's really like to drive a car. After successfully completing behind-the-wheel instruction, you'll be done with North Carolina Driver's Ed and will receive your Driver Education Certificate.

To enroll you must:

- Be at least 14 1/2 years old.
- Have your birth certificate or a valid passport.
- Currently be enrolled in high school and on your way to earning your high school diploma or its equivalent.

SAT/ACT Test Prep:

Grades 10-12

With more than two million students taking the SAT and ACT tests each year, competition to get into the best colleges and universities is on the rise. Sylvan's college prep experts will tailor a personalized plan that builds the skills, habits, and attitudes your teenager needs to score higher on test day and apply to college with confidence. Students of all test-taking abilities benefit from Sylvan's highly personalized and targeted approach that focuses on the exact skills needed to successfully answer test questions. For many, skills can be mastered to raise test scores in as little as five to eight weeks. If after enrolling and attending the first session, you are not convinced that Sylvan's college test preparation is the best program for you, simply notify us within 48 hours of your first session and return your materials for a full refund. **Contact Michelle Tynch with Sylvan to set up your session(s) at 252-334-9700**

Science and Nature:

For the Young Scientist:

June 7 & 8

12:30pm – 3:30pm

\$60

The thing about science is that it can be intimidating, seem overwhelming with terms, and sometimes downright messy. But want to know the secret? **Science is everywhere** and science can be and is extremely fun! Who doesn't love experiments?! Let your child spend a few days pretending to be a scientist! All children will be provided a "lab coat" and name tag, protective eyewear, a book for documenting their experiments results, and several hours of fun each day! We will experiment with everything, even our snacks!

Instructor: Betsy Chappell of Lawrence Academy

Science and Nature Camp:

June 18 & 19

8:30am – 2:30pm

\$60

Do you have a “hands on” kind of kid? If so, this camp will be right up their alley! This is a 2 day camp where we will learn all about the science and nature around us. On the first day we will travel to Port Discover, a small science center in Elizabeth City, NC. We will participate in a class full of slimy, gooey and icky things that students test to discover different properties and chemical reactions that are created in our Science Lab. After that, we will come back to Edenton to tour the National Fish Hatchery. We will find out all about what the Hatchery is doing to help the fish populations in and around our area. On the second day we will travel to the Dismal Swamp State Park in South Mills where the park rangers have all kinds of fun and exciting activities planned for us. We will even try our hands at fishing in the canal before we come home! Students should bring a bagged lunch both days. Transportation to and from both trips will be provided by the Edenton Bus. This camp is for children **ages 5+**.

Instructor: Betsy Chappell of Lawrence Academy

Fishing Fun!:

Thursday 7/12

4:00 - 6:00pm

\$60

Friday 7/13

3:00 – 7:00pm

Saturday 7/14

8:00 - 11:00am

In this 3 part camp, students will spend their time learning the proper care and use of a fishing rod, different casting techniques, fishing safety when fishing near others, and how to carefully remove a fish from a hook in order to let it go. Our fishing times will include afternoon as well as morning times so that we can cover all of the different styles of fishing.

The first day of camp will be spent at LA working on those skills. Students will try their hand at lots of different casting techniques, and practice being safe around others. The second day will entail a field trip to Elizabeth City to Fun Junktion to fish in their many ponds. We will travel by bus. Students will leave school at 3:00pm and will return at 6:30pm. The final day we will be fishing at Scotch Hall in their ponds. We will meet at school and travel to Scotch Hall by bus. This will be a MORNING time as we want to see the difference in morning and afternoon fishing. We will leave school at 8am and will return at 11am.

What students should bring:

- Rod and reel
- Any tackle they want to use (live bait and some artificial bait will be available for them to use)
- Snack and drink

Each child will take home a specially painted bait at the end of the camp sessions.
