Standardized Testing

As an accredited independent school, Lawrence Academy maintains a testing program designed to show growth at each grade level. Incoming Kindergarten students take the KRT (Kindergarten Readiness Test) as a measure of determining readiness for kindergarten work. Grades 1-9 take the Stanford Achievement Test, which is used to evaluate their achievement from grade to grade. Students in grades 10-12 take the PSAT and SAT or ACT in preparation for college admission. These tests are not used as a promotion tool, but as a guide for our staff as they prepare to teach the *individual* student.
